

Webinar invitation

The use of titanised meshes in revision surgery after reconstructive and aesthetic breast procedures

Dr. Stefan Paepke
Prof. Dr. Yves Harder

www.pfmmedical.com

Date:

19.09.2023

5:30-7:00 p.m.

CET

Dear colleagues,

We are pleased to invite you to an **interactive webinar** focusing on revision surgeries following reconstructive and aesthetic breast procedures. The scheduled topics of this webinar include:

- ▶ Basic principles and advantages of titanised meshes
- ▶ Revision cases in reconstructive and aesthetic breast surgery
- ▶ Discussion & questions

Do you like to discuss a special case with us?

We cordially invite you to submit prior to the webinar a personal case and/ or questions that you would like to discuss! Please upload case and/ or questions until September 3, 2023 here:

<https://pfmmedical.sharefile.eu/r-ra4d3ccaaefbf4344802cc8cc8a2633a7>

We look forward to welcoming you!
